sense of the word. We don't have any of the excesses of the ordinary camp meeting. It is really a conference and school of instruction for the members

real are now so far advanced that the leading just like the best of them. He was so well satisfied with his "come back" that he even dared salute the captain. Galvin, however, was not to be placated.

"I can't help that," he replied to the fellow's protestations of good intent, "you and your gal have got ten minutes to operate and then you'll have to ship for other parts or you're in for it."

Capt Galvin, besides looking for actual reservs, had his weather eye open to beaches of taste in the way of bathing breaches. He was absolutely or the conviction that uppers should be worn outled to the status of law and insisted to medicaty among the surf bathers.

Seed, Dan O'Connell feels the worst of the chembers will be an Italian and a French opera every week. The syndicate back of the scheme has bought grown that uppers should be worn outled to the status of law and insisted to medicaty among the surf bathers.

Seed, Dan O'Connell feels the worst of the chembers and the remainder of the day as they please through the confinement of the captal manner. There are more than two hundred peoples in the camp and they come from all parts of the gloom is general enough hamself thirty years ago Dan and Mike used to sell papers together along Park few in company with another chap who is town a deputy chief in the Fire Department Dan was telling last night how he was to sleep together winter few in company with another chap who has become well known in South America. He is now in Bueson Ay real and has frequently appeared with Like.

The members school of the church. There is a meeting of the church. There is a meeting of the church in the Sinday school teachers and elders every morning in which they in the Sinday school teachers and elders feature in the Sinday school teachers and elde There are more than two hundred people in the camp and they come from all parts of the East and middle West. Some live in Brooklyn, others in Chicago, Buffalo, Providence, R. I., Scranton, Pa., and New Bedford, Mass. The conferences is in charge of U. W. Green of Kirtland, Ohio, Others are Elder William Anderson of Stratford, Canada, and Elder Benjamin McGuire of Brooklyn. Evangelist F. G. Pitt of Chicago who was to speak at the conference is now in Europe, they said. He intends to go to Jerusalem and establish a branch of the church there among the Americans and Englishmen.

The membership in the United States

strangers there yesterday morning.

The camp is located on an ideal point of the river bank under a pine grove. The tents which are used as sleeping quarters are all arranged in streets like a military encampment. In addition to the fifty smaller tents there are the large meeting tent, the kitchen, which feeds 200 people, and a commissary store. The camp is lighted and policed at night.

BALDWIN'S AERO SMASHED.

Maurice Renaud and Antonio Scotti will sing in Montreal.

One of the purposes of the new organization is to introduce to Canadian music lovers some of the newer works of the operatic repertoire, and it was originally intended that the operas performed should be only novelties. That was found impossible, but it has been settled that at least ten new works will be sung. Among these are to be "Falstaff."

Le Jongleur de Notre Dame, "Les Contes d'Hoffmann," "Tosca," "Werther."

Contes d'Hoffmann, "Tosca, "Respective de la content de la content

THIS NEW NOVEL IS a narrative of heartbeats-wifehood through woman's eyes. For the first time in fiction is this done clearly, cleanly, truthfully. The girl grows into a woman and the woman becomes a wife amid the surroundings we all know. She tells us exactly what her struggle was. And she was first of all a poor little stenographer in New York. It is a thrilling life experience
